

Help us put “Books in Schools” in Luang Namtha

- Bamboo Lounge has partnered with the “Books in Schools” program, because local school libraries are so devoid of reading and text books.
- We at Bamboo Lounge want to help by giving our training restaurant’s profits to the “Books in Schools” program.
- By enjoying our delicious western food and drink, you are helping local students have much better access to text books and teaching materials!
- Help us help Laos...
